REPORT OF COMMITTEE ON EDUCATION

The South Carolina Conference recognizes the good work that is being done by Claflin University, our Conference School.

According to the Report of the President the plant is now composed of seven brick and five framed buildings all in good repair and well equipped for school purposes.

The courses of study cover eight grades, four years in the high school and four years in the college.

The institution insists upon maintaining a high grade of scholarship and confers the degrees, Licentiate of Instruction, Bachelor of Arts and Science.

The graduates from all departments number about twelve hundred with a grand total enrollment of about twenty thousand different students.

As a result of the annual revivals about twenty-five hundred students have professed Christ as their personal Savior.

The plant is valued at four hundred thousand dollars and the invested and productive endowment amounts to one hundred and twenty thousand dollars.

Plans are fast maturing both for the enlargement and improvement of the plant and for improved facilities and higher standards of instruction.

Your Committee would urge all pastors to urge the young people on their charges to enter Claflin and pursue a thorough course in higher Christian education.

We would also urge that every charge should observe "Children's Day" taking as large collection for education as possible as eighty per cent. of this collection will be set aside for education within the bounds of the Conference.

We also wish to commend and to encourage our young ministers to attend our Gammon Theological Seminary at South Atlanta. This is the

best equipped and endowed theological school for colored men in the world. Gammon has a strong faculty and should have a large attendance.

REPORT OF COMMITTEE ON THE RESIGNATION OF DR. L. M. DUNTON, PRESIDENT OF CLAFLIN UNIVERSITY.

We, your Committee appointed to give expression regarding the resignation of Dr. L. M. Dunton, President of Claflin University.

Your Committee finds itself inadequate to express its deep feeling of emotion in giving an expression of its sentiment in this moment fraught with such momentous consequences. In the usual course Dr. Dunton presented his Annual Report announcing at its close his resignation as president of the institution.

We desire to express our unstinted appreciation for the long labors of Dr. L. M. Dunton and his faithful companion, Mrs. M. E. Dunton.

Resolved in receiving and accepting the resignation of Dr. Dunton that we record our high appreciation of his unsullied life, faithful services, magnificent achievements, and hereby record our gratitude to him and his faithful wife for their untiring services to our grateful people.

Resolved, further that we record our full confidence in his conduct of all of the affairs of the school, in every department of all of its activities.

Be it further resolved, That we memorialize the Parent Board of Education for Negroes to elect him as President Emeritus of the Institution.

Resolved, That we express to Dr. L. M. Dunton and Mrs. Mary E. Dunton our undying gratitude for their unselfish devotion to the uplift of our people in their half century of arduous labors of love, and pray God's richest blessings upon them in the sunset time of their useful life; and pray that their lives may be spared to enjoy long rest and comfort before taking their immortal flight to the land where no shadows come.

Resolved, That a copy of these resolutions be sent to Dr. and Mrs. Dunton, recorded in our Minutes, and a copy be furnished the Southwestern Christian Advocate for publication.

Respectfully submitted,

RESOLUTION

We regret very much to learn that the interest in the subscription and reading of the S. W. C. Advocate is suffering from the fact that the number of subscribers is so small in proportion to the large membership of the Methodist Episcopal Church.

And in order to increase the interest, remove this grievance and make our paper self supporting, let us strive unswervingly to enlarge its circulation by first;

Resolving ourselves as ministers of the South Carolina Conference to see to it that at least one subscription be taken to equal the number of each class in the church by February 12th, and that at least five of them be sent in to the office by Jan. 15th, 1922.

Be it further resolved, That we follow up this securing of subscriptions until the paper is put as far as possible into the homes of every person within the bounds of our charges.

Be it further resolved, That we make the 5th Sunday in January S. W. C. Advocate Day and strive to get every member to subscribe.

S. D. WILLIAMS,
A. R. HOWARD,
J. C. GIBBS.

RESOLUTION

We learn with regret that the South Carolina Conference is one of two or three remaining conferences of Methodism having no official record of the years of service of the widows and ages of children who are claimants upon the conference funds for pension allowances, and since the lack of this record makes it impossible for the proper legal annuity

claims of conference to be computed so as to receive proper apportionment in the annual distribution of the Book Concern Dividend;

Therefore, Be It Resolved, That each District Superintendent of this conference be required to make careful and strict inquiry at their First Quarterly Conference of 1922 in charges where any of these widows reside, using for this purpose, blanks to be furnished by the Board of Conference Claimants.

STATE OF THE CHURCH AND COUNTRY.

The Committee on the State of the Church and Country solicit your attention and beg the liberty to render their report:

At this instant, the Christian nations, and the Secular World are suing and supplicating for Universal Peace.

This is the spirit of the age, and the thought of the present. God is diffusing as far as accessible, and permitable by the mind of humanity, His influence, wisdom, and counsel concerning this vast and indispensable proposition and glorious achievement.

The past with her hate, prejudice, selfishness, lynch system, war spirit, money greed, world power and braggadocio are hurriedly disappearing. The present, with God is our hope and salvation. We must, and will adjust ourselves to her varied problem, mighty projects, redeeming forces, righteous laws and eternal plans. The future constantly approaches. Every second is unfolding her potent presence. Her earnest demands are for the trained, prepared and consecrated. She reiterates the demands of the Church, and the commands of the Country in her mighty slogan and clarion paeon "Prepared men for the waiting God."

The Spirit of the Church.

No institution has been and can be more virile, powerful, aggressive, illuminative, optimistic, unconquerable, educative, immaculate and Christ like. This date, all of the faiths are a unit in marshalling their forces for the preservation and perpetuation of the peoples everywhere. They are organizing and operating literary, financial, material, and spiritual contrivances to offset and prevent satanic designs, human mischief and physical terrors. The Church has but one antiseptic by which she heals, eradicates, and annihilates moral putrefaction, governmental disorganizations, mental apathy, and spiritual declension. Master Jesus is her apothecary. She has always found Him to be "A very present help in trouble," "A shelter in the time of storm," and in prosperity. He faileth

not, in seasons of plenty, He continueth the same. Therefore she exultingly shouts, "The Lord of hosts is with us; the God of Jacob is our refuge." The Church's passion, sense, and mission is to propagate His evangel, present Him to the human tribes of earth, and to live up to every standard privilege, obligation and opportunity that He requireth. The Church wishes not to be construed as a botheration, a buffon, a coquette or a bluff, suffice it to say, she is in accord with all righteous activities. The universe is her parish in which she is heroically performing the King's service for time and eternity.

The State of the Country.

The countenance of the welkin has just dispelled the cloud of the world's war. Yet every present, past, and future interest, is, has been, and shall be effected by it for years. Big sections of the orient, and vast territory of the occident have suffered famine, pestilence, devolution, reckless disregard for human life and its moral chastity. The local fields and the alien lands in many spots have been depleted and deprived of the gospel and the missionary. The political firmament both abroad, and at home has effervesced and waxed pungent with excitement. Plenty of the highways on sea, and many of the thoroughfares by land have proved treacherous and untrustworthy. Capital and labor have been on inimicable terms. Clash, and strikes seen inevitable between our business institutions, wage, the employer and the employee. Money has been and is now scarce. The Country is passing thru an experience of uncertainty and restlessness that is distressing as well as alarming. Yet, not withstanding all of these hindering causes, and obstructions, the day of normal conditions is breaking. The hour draweth nigh with her contribution of warm hearted, clear minded, clear visioned, unselfish, strong minded, hard working, earnest, devout country loving, and God fearing denizenship, the like of which has surpassed all preceding centuries. The great powers and governments are consuming time profitably, and are assembling in conferences unitedly to convert the races into one common brotherhood. They are conscious that there has been an estrangement for ages, and a divorcement from time unremembered, yet they are convinced that these barriers can easily be brushed aside, when the truth is made evident, that God "hath made of one blood all nations of men to dwell on all the face of the earth," and that the most amicable relation, mutual sympathy, sentimental tolerance, and sane cooperation should exist.

Never in the history of events was the general physical health, hopeful outlook, and stable comforts of the world better. Never was the Country more organized to administer ecclesiastical jurisprudence, and dis-

cipline in the church, secular justice, and law in the courts, and educational and religious training in the school, and home. All of which the peoples everywhere are endorsing supporting, and cooperating with in all of their varied phases.
